CERES authorises the above mentioned company to use the CERES seal on the products specified above as long as the present confirmation is valid. The CERES Seal is property of CERES GmbH, Happurg, Germany. This confirmation is based on an onsite inspection and/or laboratory tests. These tests only confirm the absence of prohibited substances, not the presence of substances claimed by the producer. It is the above mentioned company's responsibility to ensure that all batches sold under the above mentioned commercial names, or with reference to organic farming, or with the CERES seal, comply with the standard(s). CERES has not verified other aspects of quality, as e.g. the effectiveness of the materials for the claimed purpose. CERES is not liable for compliance of the above listed materials with national legislation, nor do we take any responsibility for correct registration of the products with the competent authorities in the respective country.

¹ CERES uses the categories according to EU, US and/or Japanese legislation. These categories may differ in other countries.

² Certain details of the European Regulation on Organic Farming might be implemented differently in countries outside the EU. CERES defines these details in the Policy 4.1.1, published on the website: https://www.ceres-cert.de/docs/transfer/4-1-1_EN.pdf
